Number of Children in the 37 Schools on the 1st of September, 1795, were 990 Boys, and 517 Girls, in all 1507 Children.

There were in the four Provincial Nurseries of Charlemont-Street Dublin, Monastereven, Shannon-Grove and Monivea, at Michaelmas, 1795, 289 Children, which with those in the Schools made 1796 Children in the Society's Care.

The Children admitted are those born of Popish Parents, or such as are likely to be bred Papists, if neglected, and are of sound mind, health and limbs. The Age for admission into Nurseries, from 3 to 6 years, and into Schools, from 6 to 10 years. They are removed from the Nurseries into the Schools, and at the Age of about 14 Years, are apprenticed with a Fee of Five Guineas each, into Protestant Families.

The Society give a Portion of FIVE POUNDS to every Person educated in these Schools; upon his or her marrying a Protestant, and producing to the Committee of Fifteen, a Certificate of the Marriage, and also a proper Certificate that he or she hath duly served out their Apprenticeship, provided such Claim is made within seven Years, after their Apprenticeship, and within Six Months next after such Marriage.

ASSOCIATION FOR PROMOTING THE PRACTICE OF RELIGION AND VIRTUE.

IN the Month of October 1792, a few Gentlemen as well Laity as Clergy, zealous for their Country's welfare, and contemplating with concern the spreading Influence of Dissipation, Immorality and Irreligion,

associated for the purpose of uniting their humble Endeavours to arrest the baneful Progress of these most serious national Evils, and of exciting by their Example an emulation in others to restore in some measure the Practice of true Religion and Virtue, the only Means of ensuring the eternal Happiness of Mankind; the Pillars on which every Civil Establishment should rest, and on which alone they can depend for perfection and stability.

They meet every second Thursday at the Lying-in Hospital, and there attentively consider and discuss such Matters principally as relate to the following important Subjects, viz. The religious Education of the rising Generation by Parents, Schoolmasters and others. The best Means of promoting a regular and conscientious Attendance on public Worship and the Holy Communion, and a due observance of the Lord's Day. How most effectually to recommend and restore the Practice of Family Prayer. How to restrain profane Swearing and Cursing, and to guard against the horrid Crime of Perjury. What may be the best Means of promoting Honesty and Industry, and discouraging Idleness in the lower Classes, and of preventing and discountenancing Intemperance, Dissipation and ruinous Extravagance in the upper Classes of the Community; and in a Word, whatever may contribute to the temporal as well as the eternal welfare of Mankind.

Concerning further Particulars enquiries will be answered at the Rev. John Lytton's, No. 175, Great Britain-street, and C. B. Kippax's, Esq. No. 38, Jerrois-street, Secretaries, and at Mr. Watson's, No. 7, Capel-street.

CHARITABLE LOAN.

THE Governors of the Charitable Musical Society incorporated by Act of Parliament in 1780, for lending out Money Interest free, to Indigent Tradesmen, meet at the Dublin Society's Repository, in Hawkins's-street, every Wednesday, to lend not less than two Pounds, nor more than Five to any Person at one time, which Sums are to be paid at Sixpence in the Pound Weekly. Proper Objects of this Charity must apply, by a Certificate printed by Mr. William Watson and Son, No. 7, Capel-street. Since March 1780, 1786 Persons have been relieved, whose Families amounted to 13,606, and the Sum lent 10,663 l. and many more would have been relieved, had not combinations among different corporations subsisted, and during the Drawing of Lotteries the Governors decline lending out.
